 **Steven Hartzell** around 1973 my father's drugstore was held up while I was working there, and I had a gun held to my chest. A shaky drug addict wanting narcotics, God only knows what could have happened. I only wish that the robber had confronted the modern-day me. He would have lost considerable cerebral cortex.

 Drug addicts are desperate, irrational, unpredictable and really dangerous.

  yep. It's a miracle I'm still here....I had PTSD after that event for a year. It was early in senior high.

██████████ The headline is ambiguous. It states that "Suspects will not be charged", but one "suspect" is dead. The other suspect is hospitalized. The article goes on to say that the customer who saved the employee would not be charged.

JUST REALIZED HOW AWESOME PHILLY SUGAR TAX IS. IT FUNDS UNIVERSAL PRE K, ENCOURAGING HOOD RATS TO PRODUCE MORE OFFSPRINGS SO THEY CAN SPEND EVEN LESS TIME WITH THEM.

Steven Hartzell no Kenny will be a one term Mayor. and I gave no hot air. I/we shop about 1% of the time in the city limits and that includes eating out because of high 8 percent tax

██████████ Although your comment is extremely off putting, I wouldn't be so quick to think that the only people who wish to take advantage of the funding are the working and non-working poor. I had hopes of lessening the burden of a 700.00 a month childcare bill for only 3 days a week of service. Am I to be ridiculed because I live in Philadelphia and pay the same taxes as everyone else??? We are one of the highest taxed cities in the nation! What is the incentive to even live here? Especially if you have a family?
